EXTERIOR MUSCLE WAX

Our Full Exterior Package

Designed to protect and enhance your vehicle's shine, this package delivers a thorough exterior clean with both hand sponge and machine washing. It includes detailed rim, tire, wheel well, and door jamb cleaning, followed by a high-quality sealant wax that's hand-applied and machine-removed for lasting gloss and protection. Optional add-ons are available for paint transfer or scratch removal, artillery fungus removal, and clay bar treatment.

- Hand Sponge Wash + Machine Wash
- Rims & Tires
- Wheel Well Scrub
- Door Jamb Cleaned
- High-Quality Sealant Wax Hand Applied and Removed by Machine
- Add Paint Transfer/Scratch Removal for Additional Fee
- Add Artillery Fungus Removal for Additional Fee
- Add Clay Bar (\$20)
